

WHO WE ARE

CONTEMPORARY DESIGN

ENGAGING SOCIAL MEDIA

EMOTIVE VIDEO PRODUCTION

MEMORABLE EVENTS

Media Chef is a **through-the-line agency** based in eastern Pretoria.

Carina Young heads up the company, with a creative director, strategist, design team (print and electronic), copywriter, events manager, as well as an administration and finance team creating a dynamic and close-knit group. The agency was established in 2007.

WHAT WE CAN DO FOR YOU

Media Chef will evaluate your communication brief and work out a strategy that will best suit your needs and budget. It may be anything from a television campaign, an online or social media campaign or just supplying you with the right marketing tools.

We will help you to identify your target market, develop the right message to get through to them, identify the most effective media to reach them and then implement the strategy.
